ASIS (International) Jamaica Chapter

The Informer

The Chairman's Christmas Message

Capt Basil Bewry CPP, PCI, PSP

As is customary at this time of the year I would like to take this opportunity to wish you and your loved ones, on behalf of my fellow Board Members, a Merry Christmas and a safe, happy, healthy and prosperous 2017.

2016 was particularly busy as we hosted a number of interesting and well attended chapter meetings throughout the year as well as our Annual Awards Banquet in March and an Active Shooter Forum in October. We also ensured that a large delegation attended ASIS International's Annual Seminar &

Exhibits Show in Orlando in September.

We also had no less than eleven (11) Jamaicans earning their ASIS security certifications and with 10 x CPPs, 9 x PCIs and 19 x PSPs, the chapter has among the highest percentage of certified members in ASIS International. We also saluted two new triple certificants, namely Wayne Ballen, CPP, PCI, PSP and Michael Jackson, CPP, PCI, PSP and welcomed ten (10) new members.

These notable accomplishments did not escape the attention of the Professional Certification Board as Capt. John Richards, CPP, PCI, PSP; Francine Staple, PSP and yours truly were singled out for special mention at this year's Annual Seminar and Exhibits Show but our true heroes are those members who unselfishly gave of their time to

lecture and mentor the students on our PSP Study Course.

For 2017 I foresee the chapter exceeding its 100 man membership target and to continue enriching the profession through its highly successful PSP and CPP Study Courses. We are also well advanced in our plans to host our Annual Awards Banquet in March and currently in discussions with a strategic partner to bring the John E. Reid Interviewing & Interrogation Course to Jamaica in April.

It would however be uncharitable of me not to finally thank our Newsletter Editor, Suzanne Scarlett, PSP for making this second edition of "The Informer" a reality and to remind our members that our next chapter meeting will be held at the New Kingston Conference Centre on Thursday January 26, 2017.

An honest politician, a kind lawyer and Santa Claus were talking when they all noticed a \$5 bill on the floor. Who picked it up?

Santa of course, the other two don't exist!

Congratulations 2016 Certificants!!

This year the Chapter celebrated the success of eleven ASIS Certificants.
