

THE TRIPLE CERTIFICANTS OF THE JAMAICA CHAPTER OF ASIS INTERNATIONAL

We are pleased to announce that **Richard Owen Johnson** successfully completed his Certified Protection Professional (CPP) exam on December 14, 2021. Having previously earned his Professional Certified Investigator (PCI) and Physical Security Professional (PSP) designations, Richard has now joined the less than 2% of the 34,000 members of ASIS International who are Board Certified in Security Management, Investigative Processes and Physical Security.

Richard O. Johnson CPP, PCI, PSP is the Loss Prevention and Safety Director at the prestigious Tryall Golf and Beach Resort. He has over nineteen (19) years experience as a security practitioner, with extensive training and experience in Executive Protection and was a partner at Executive Solutions Limited before branching out into the hospitality industry in 2016. He also gave yeoman service to Corporate Jamaica and the Business Process Outsourcing Sector with household names such as Jamaica National Building Society, First Heritage Credit Union and Sutherland Global as well as operated a gas station and a car parts business. Richard joined ASIS International in 2015 and enjoys the distinction of passing all three (3) Board Certifications exams on the first attempt. He is also a holder of the Port Facility Security Officer (PFSO) certification.
